

Carla Babcock has generously offered to customize vests, that you provide, with either the fabric that she has designed with the RFHH logo (two patterns to choose from) or she will add fabric that you provide, to your vest. **She will do either option for \$200, and the entire amount will be donated & paid directly to the RFHH Huntsman's Closet and Bootery.**

If you want a 2nd vest customized, with either your fabric or the RFHH logo fabric she provides, she will do that for \$125. That money will be paid to Carla.

Below are examples of vests created with fabrics people have provided. Carla said many have found hunt skirts online and used that material. She attaches the new fabric to the back of your vest without removing the existing backing.

Choice between two RFHH logo patterns that Carla designed and will provide.
