Saturday October 8th, 2022

Please join us for the final pace of our 2022 hunter pace series. A hunter pace is a fun, lightly competitive ride, on a cross country course at a selected pace. Our courses are four to seven miles in length, and include wooded trails, fields, creek crossings, hills, rocky and muddy ground, with a variety of jumps between one and three feet in height. All jumps are optional. Approved hard hats and appropriate footwear are required for all mounted riders. *Costumes are encouraged. All costumes must be safe for cross country riding.*

All riders must register online. When the online registration link is available, it will be posted on the RFHH Facebook Page and on our website. **We will not accept entries on the day of the Pace. All riders must sign a Crosswind Farm and a RFHH liability waiver.** Minors must have a liability waiver signed by parent or legal guardian. Registration forms, waivers and more information are available at <https://rockyforkheadleyhunt.com/hunter-paces/>

There are three speed divisions. During online sign up, you pick the speed you want to ride and the time that you will start the course. Teams consist of two or three horses. No individual competitors. Ribbons will be awarded to eighth place for each of the three divisions.
