Please join us for the Timber Run Farm Pace, the second of four, in our 2018 hunter pace series. A hunter pace is a fun, lightly competitive ride on a cross country course at a selected pace. Our courses are from four to six miles in length, and often include wooded trails, fields, creek crossings, hills, rocky or muddy ground and a variety of jumps between one and three feet in height. All jumps are optional. Clothing appropriate to your riding style is recommended. Approved hard hats are required for all mounted riders.

Entries will be accepted on the day of the Pace. All riders must register, including signing a RFHH liability waiver prior to mounting your horse. Minors must have a liability waiver signed by a parent or legal guardian. Registration forms, waivers and more information, including frequently asked questions (FAQs), are available on our website <https://rockyforkheadleyhunt.com/hunter-paces/>

There are three speed divisions. Teams consist of two or three horses. No individual competitors. Ribbons will be awarded to eighth place for each of the three divisions.
